Best Practices for Canva Designs

- Keep designs simple and uncluttered.
- Use no more than **2–3 fonts** in one design.
- Stick to **2–4 complementary colors**.
- Align elements using Canva's guides.
- Maintain consistent spacing and margins.
- Use high-quality images and icons.
- Ensure text is readable with sufficient contrast.
- Preview your design before downloading.
- Use animations sparingly for a professional look.
- Save frequently used colors, fonts, and logos in a Brand Kit (if available).

Quick Revision

Topic	Key Idea
